

Continent Club

Study Guide

Continent of the Month: **Middle East** Continent Check Day: **May (Wednesday) 2018**

- Learn the locations of as many of these countries as you can, starting with the 4 bolded countries.
- Continent Club points are given for as many of the Continent's countries you can identify on the world map during Check Day.
- For every four (4) countries correct, students can paste a sticker in their passport.
