Information

The All Star Reading Club started in 2008 at West Tualatin View Elementary School. Students from all grades are invited to read a book from a different genre each month and fill out the form on the back of this page. Every month, completed forms will be collected and a student's progress will be tracked on a chart.

Students who read books from **five** different genres will be invited to a Spring Party, choose a free book and receive prizes from the local community. Students who read a book from all **eight** genres will have extra time with the storyteller and a gift card to Powell's as well as attending the Spring Party, a free book and receive prizes from the local community.

Forms are due at the end of each month, make ups are allowed until the end of the following month. High quality reports will receive a free book.

This is a terrific way for students to explore all the genres of literature and, perhaps, enjoy books they never thought they'd be interested in. Here are the genres for each month:

- October – Mystery & Horror
- November – Historical Fiction
- December – Non-fiction
- January – Action & Adventure
- February – Biography
- March – Fantasy & Science Fiction
- April – Poetry
- May -- Folklore
- BONUS GENRE Any Month - Classic

This program is supported by the West TV library, volunteers and the West TV Parent Teachers Club.
