

## Information

The All Star Reading Club started in 2008 at West Tualatin View Elementary School. Students from all grades are invited to read a book of a different genre each month and fill out the form on the back of this book. Every month, completed forms will be collected and a student's progress will be tracked on a chart.

Students who read books from **five** different genres will be invited to a Spring Party, choose a free book and receive prizes from the local community. Students who read a book from all **eight** genres will have a meeting with the storyteller and a gift card to Powell's as well as attending the Spring Party, a free book and receive prizes from the local community.

Reports are due at the end of each month, make ups are allowed until the end of the following month. High quality reports will receive a free book.

This is a terrific way for students to explore all the genres of literature and, in the process, enjoy books they never thought they'd be interested in. Here are the genres for each month:

October – Mystery & Horror  
November – Historical Fiction  
December – Non-fiction  
January – Action & Adventure  
February – Biography  
March – Fantasy & Science Fiction  
April – Poetry  
May -- Folklore  
JANUS GENRE Any Month - Classic

West TV library, volunteers and the West TV Parent Teachers Club support this program.

## March – Fantasy & Science Fiction

The **Fantasy** genre includes any story of the impossible -- a tale that has events happening that could never happen in the natural world. The **Science Fiction** genre deals with the influence of real or imagined science on society or individuals.
